

YOUR CHECKLIST FOR SUCCESSFUL RVING

ARE YOU READY TO GET YOUR VACATION OFF TO A GREAT START?

I know it might have been overwhelming going over everything about our RV when you are so excited to get on the road, so we've created a checklist to help you along the way.

ARRIVING AT CAMPSITE

- ☐ Park away from trees directly overhead
- ☐ Make sure slides have enough room to extend
- ☐ Put emergency brake on to lower jacks with key in ignition
- ☐ Remove key from ignition to lower front blind
- ☐ Make sure awnings have enough room to extend
- ☐ Don't use awnings if windy

INSIDE

- ☐ Check all around edges of slide
- ☐ Remove bags, shoes, garbage cans from the slide area
- ☐ Extend 3 slides without sitting on bed, sofa or kitchen dinette
- ☐ Lower bed by either laying front seats back or fold forward
- ☐ Leave key in horizontal position

HOOK UP TO DESIGNATED CAMPSITES

- ☐ Water
- ☐ Electric
- ☐ Sewer
- ☐ Keep black tank release toggle closed until ready to dump
- ☐ Keep small amount of water in bottom of toilet

Once you arrive at your destination, refer to the guidebook for full explanation on how to perform these tasks.
